Patient Partnership Plan

Dear Patient,

Welcome to our practice. We intend to provide you with the care and service that you expect and deserve. Achieving your **best possible health** requires a "partnership" between you and your doctor. As our "partner in health," we ask you to help us in the following ways:

Keep Follow-up Appointments and Reschedule Missed Appointments

I understand that my doctor will want to know how my condition progresses after I leave the office. Returning to my doctor on time gives him the chance to check my condition and my response to treatment. During a follow-up appointment, my doctor might order tests, refer me to a specialist, prescribe medication, or even discover and treat a serious health condition. If I miss an appointment and don't reschedule, I run the risk that my physician will not be able to detect and treat a serious health condition. I will make every effort to reschedule missed appointments as soon as possible.

Call the Office When I Do Not Hear the Results of Labs and Other Tests

I understand that my physician's goal is to report my lab, scan and/or test results to me as soon as possible. However, if I do not hear from my physician's office within 1 week after getting my test, I will call the office for my test results.

Inform My Doctor if I Decide Not to Follow His Recommended Treatment Plan

I understand that after examining me, my doctor may make certain recommendations based on what he feels are best for my health. This might include prescribing medication, referring me to a specialist, ordering labs and tests, or even asking me to return to the office within a certain period of time. I understand that *not* following my treatment plan can have serious negative effects on my health. I will let my doctor know whenever I decide *not* to follow his recommendations so that he may fully inform me of any risks associated with my decision to delay or refuse treatment.

Open Payments database

"The Open Payments database is a federal tool used to search payments made by drug and device companies to physicians and teaching hospitals. It can be found at https://openpaymentsdata.cms.gov."

Thank you for your partnership. As our patient, you have the right to be informed about your health care. invite you, at any time, to ask questions, report symptoms, or discuss any concerns you may have.	We
If you need more information about your health or condition, please ask.

Medication Prescription Protocol and Patient Responsibility Form

Due to increased surveillance and requirements from the Drug Enforcement Agency and California Medical Board, Orange Orthopedic Medical Group, Inc. has adopted some professional policy standards for patients, doctors and staff with respect to prescribing and renewing medications.

Narcotic medication will not be dispensed to any patient without approval from one of the above listed Orthopedic Surgeons.

Requests for medication refills will only be honored by pharmacy requests via fax with 72 hours' advance notice. NO refills will be granted by patient requests.

Medication refills will **not** be available after office hours, weekends or holidays.

Medication refills will **not** be granted by walk-in patients without prior written authorization by one of the above listed Orthopedic Surgeons.

All medication dispensed to the patient is the responsibility of the patients and is to be taken as directed by the prescribing doctor. No refills will be granted for patients who missed their last scheduled appointment, or who have not been seen in the last 6 months.

We do believe that this protocol will not only improve safety issues with medication for patients but will also improve professional and ethical standards in delivering quality medical care.

Disability & Insurance Claim Form Policy

Disability and insurance claim forms are completed on a first come, first served basis. Each Form is date stamped when they are received. They are then processed in that order.

The normal processing period for these forms is seven to ten (7-10) **working days.** This time frame allows us to obtain the dictation from the doctor for an accurate disability status. <u>State Disability has an online process for submitting disability claims.</u> Please see the next page for instructions.

For patients who have a "Return to Work" form and are returning to work the **same** day as their evaluation, we will be able to have the form completed by the end of the day.

Please advise the front desk if you have any form that needs to be completed when you check in for your appointment. If you would like us to mail your form for you, please provide us with an addressed, stamped envelope.

Our office requires patients to pay a fee, <u>in advance</u>, for each disability/insurance/work form submitted to us for completion.

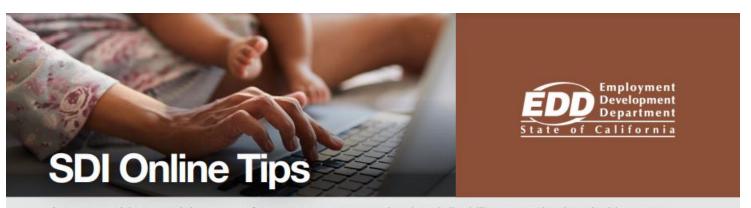

Fee Schedule:

Misc Forms	1-2 Pages	\$12
	3-5 Pages	\$20
	6 pages +	\$25
State Disability	Initial Claim	\$20
Paper or Online	Extension	\$12

Although our office is more than happy to fill out your disability/insurance/work forms, it is ultimately the patient's responsibility to know and understand your employer's disability requirements and policy.

I have read and understand the policy above.

*As a courtesy we have included instructions for submitting State Disability claims online on the next page.

Are you unable to work because of a pregnancy, non-work-related disability or need to bond with a new child, care for an ill family member, or assist a military family member? Use SDI Online to apply for Disability Insurance (DI) or Paid Family Leave (PFL) benefits!

Get Started Today!

Create Your myEDD Account

If you already have a myEDD account, you may skip this step.

- Visit <u>myEDD</u> (myedd.edd.ca.gov) and select Create Account.
- · Enter a personal email and create a password.
- · Select your preferred language and accept our terms and conditions.
- Check your email. Select the unique link within 48 hours to complete the process or you'll need to start over.

Make sure to check your spam folder if you don't see this message in your inbox.

Register in SDI Online

Log in to myEDD and select SDI Online to begin registration.

- Select the Register as a Claimant link.
- Enter all required information such as legal name and date of birth as it appears on your California Driver's license (CDL) or identification (ID) card.
- Select Submit and save your EDD Customer Account Number for future reference.

You will need to file by mail if you do not have a CDL or ID.

File Your DI or PFL Claim

Log in to myEDD and select SDI Online to get started.

- Select New Claim.
- · Select the appropriate link to apply for DI or PFL benefits.
- Enter all required information including your employer's details, last date worked, wages received after you stopped working, and any workers' compensation information, if applicable.
- · Review the information you entered and select Submit.
- After submitting your claim, a confirmation page will display. Save your receipt number and follow the instructions to complete your DI or PFL claim.

What's Next?

DI claims require a medical certification for your disability. Provide your receipt number to your <u>licensed health professional</u> (edd.ca.gov/en/Disability/Physicians-Practitioners).

Care claims require a completed Claim for Paid Family Leave (PFL) Care Benefits (DE 2501FC) uploaded to the claim. The licensed health professional can complete their certification through SDI Online or by using the DE 2501FC.

Bonding claims require proof of relationship documentation:

- · Child's birth certificate.
- · Foster care placement record.
- Adoptive Placement Agreement.
- New mothers transitioning from a DI pregnancy claim do not need to submit proof of relationship documentation.

Military Assist claims require supporting military documentation:

- Covered active duty orders.
- Letter of impending call or order to covered duty.
- Documentation of leave for Rest and Recuperation.
- · Documentation of the qualifying events.

After you upload all necessary documents, we will review your claim and notify you of approval or denial within 14 days.
